See more details in Junior Division Description

MARATHON OBSTACLE CLASS (Driven Only) Drivers will execute a pattern around a marathon obstacle on the cross-country course using gates to designate where movements are to be executed.

DRESSAGE BY THE LETTERS CLASSES (RIDDEN OR DRIVEN): May be completed at Walk Trot or Walk Trot Canter. Any gait may be used EXCEPT FOR NOVICE RIDERS where canter will be cause for elimination. This is a speed class in which the horse and rider/driver must go from Dressage letter to Dressage letter marked with sets of cones, in alphabetical order. All the Dressage letters will be used including the centerline letters. Time begins when rider/driver enters the ring at A and time ends when rider/driver exits the ring at A. **NO CALLERS** are permitted. Five seconds will be added to the time for each cone knocked over. Missed gate(s) result in elimination. Fastest time wins. Gate widths are set at 180 cm. **Note for Year End Awards: enter the division that matches your dressage test division.**

CONES (DRIVEN ONLY): A driving course is set up with start and finish gates between which obstacle gates are set on course, at certain distances and angles from one another, to be driven in numerical order and in specified direction. Gates are set at specific widths and marked by cones topped with weighted balls. For every ball dislodged from its supporting cone, a 3-point penalty is charged. Five (5) additional penalty points will be added for each run-out or disobedience. **Time on course breaks all ties.** As a safety precaution, drivers are encouraged to maintain gaits well within their control margins.

- No cantering permitted on 40 cm classes; cantering optional for 30 cm classes, drivers having a clear understanding that cantering increases the risk of penalties accrued.
- Course maps will be posted 48 hours prior to the show on www.stridedressage.org For cones clarifications, contact Charlotte Trentelman, 352-598-7704, or rebelridge@aol.com
