

WDAFL Board Meeting

Sunday, June 29, 2025

7:00 pm Zoom Conference Call

President Melanie Werst called the meeting to order at 7:03 p.m. Melanie, Amanda, Brenda, Carmen and Kristin were in attendance. Allie was not in attendance. (We found out later she had no power). Robin was not in attendance, she was sick.

Secretary's Report: The minutes from 5/18/2025, previously emailed to the board, were approved. Brenda made the motion to approve the minutes; Carmen seconded it, and the motion was passed.

Treasurer's Report: The May report, previously emailed to the Board, has been approved. Carmen made a motion to approve the report, and Amanda seconded it; the motion was then passed.

The following was discussed.

January Show: Prize list was discussed; adding physically challenged classes. Breed Awards were discussed; including breed paperwork at signup to reduce manual labor. Discussion about making memberships a requirement to participate in addition awards at the show. All agreed while non- members could compete, they should not be eligible for additional awards. We will make this black and white in the show sign up, including a \$30 membership option to give people a reason to join.

Educational events and clinics: Discussed bringing Joanne and Kayla in to help bring informal ideas for educational events. Consideration of collaborating with fellow Florida organizations was discussed; potentially sharing costs an increasing interest.

Virtual Ride-A-Test option: Discussion with approaching the advisory board about judges volunteering for this.

Virtual Test Program: Discussion about a non-competitive video test program for educational purposes. Could use existing videos without placings. Would reach out to the advisory board to see their input and reach out to members via Facebook for interest. Melanie said she would take the lead on contacting judges and coordinating the logistics. Keeping this straight forward and simple is our goal.

The next board meeting will be July 27, 2025, at 7:00 pm.

The meeting was adjourned at 7:39 pm.
